FINANCIAL INVESTMENT

Suite price points are based off a set donation price based on the maximum number of tickets in a suite at \$3,125 per seat, the season ticket price per year and the reserved parking stall price. Contracts are only offered in a multi-year agreement.

SUITE INTEREST

Nebraska Athletics does not have a buy-in or initiation fee to be placed on the suite owner waitlist. Those interested in becoming suite owners, regardless of location or occupancy, should submit interest by filling out the Premium Seating Interest Form on our website. Consistent with other Nebraska Athletics ticketing and seating opportunities, priority points and lifetime giving impact the allocation and improvement of suite location and ownership.

Tax reform legislation passed in December of 2017 (commonly referred to as the Tax Cuts and Jobs Act) impacted donations associated with tickets to college athletic events. This includes skybox payments which are currently not tax-deductible. This information is not intended to provide or should not be relied on for tax, legal or accounting advice. Please consult your tax advisor(s) concerning the application of tax laws to your particular situation.
